Landscaping Work completed in Totality

Arboriculture & Irrigation System: To improve greenery, approximately 160 ornamental & flowering plants have been planted along the boundary wall. In addition about 700 shrubs, creepers have been planted in the central lawn and more such plants are being planned to be planted to fill the gaps. The controller unit for the irrigation system has been installed and PLC setting is in progress. With the installation of the controlling unit, the irrigation system to the arboriculture will become fully automatic and will provide irrigation water to the lawns in sequence to the entire complex.

Swimming Pool of package I

Swimming Pool of package I has been handed over to the society. The JVT residents can make use of the pool in the coming summer ,once the safety measures are instituted by the Society.
