

**WEB UPDATE AS ON 01 MAY 2016**  
**AFNHB DEHRADUN PHASE – II PROJECT**

1. The pace of work has significantly picked up and approx 300 Nos. of labour are engaged at the site.
2. Work on preparation of balance road's, sewer lines and STP is in advanced stage and likely to be ready in next 3-4 months.
3. The finishing works in four Towers of Package-II – (A-II - 01 Block, B-II – 02 blocks, B-I – 01 block) are nearing completion and likely to be ready by Jul/Aug 16.
4. Board is closely monitoring the progress of all ongoing works to expedite Handing Over of DUs to allottees.
5. In order to safeguard the project boundary wall from erosion, a Gabion wall has been constructed along the entire boundary on the river side.
6. A few photographs of ongoing works are uploaded for information.
