

WEB UPDATE – JULY 2021
JAIPUR PH-II PROJECT

1. **ELECTRICITY:** The JVNL team has energized power supply on 29 Jul 21 at Jaipur Ph-II Project. However connection to individual Dwelling Unit's in progress and it will be provided on demand/ requirement basis. Photographs attached.
2. **COMPLETION CERTIFICATE:** The file has been approved and signed by JDA. As committee schedule, AFNHB will get completion certificate. It is expected by 1st or 2nd week Aug 21.
3. **FIRE NOC:** The file has been submitted for obtaining NOC to fire department, fire office has raised an observation regarding new rule of fire cess, which had never been paid in any AFNHB project till date. Deliberations and meetings took little time for waiver, however, payment for fire cess was deposited and fire NOC is expected to get earlier than a week or 10 days time.
